

src/powmeas.h

```
graph TD; A[src/powmeas.h] --> B[io430.h]; A --> C[types.h];
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'src/powmeas.h' has two blue arrows pointing downwards to two white boxes. The left box is labeled 'io430.h' and the right box is labeled 'types.h'. This indicates that 'src/powmeas.h' includes both 'io430.h' and 'types.h'.

io430.h

types.h
